Mazda Series Trucks

Year	Type
1994 - 1997	short box regular & cab plus

1998 - 2012 - specific box fittings are as listed - fitting to the narrower box.

1998 - 2012 short box regular & cab plus applications - will accept the 1994 - 1997 Mazda applications - due to the 1998 up newer narrower box change, that results in a slight side overhang towards the front side area, these cap fittings will fit to the width of the cab.
